- My Pals are here Textbook 1B, \$6.15
- My Pals are here Textbook 2A, \$7.25

This workshop focuses on making use of things at home and turning them into wonderful tools that they can use to enhance their learning in class or even at home.

The objectives of this workshop are:

- to give parents an overview of the Mathematical concepts that students are required to apply in problem solving for Primary 1 and Primary 2 level
- to increase collaboration between parents and the school

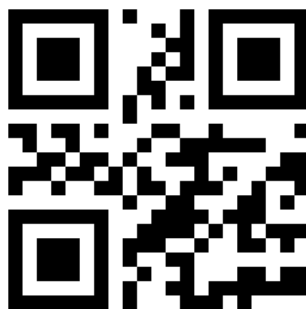

The details of the workshop are as follows:

Date: Friday, 20 January 2017
