11 January 2017

Letter to Parents: 08/2017 (P4 Students)

Through: The Principal

Dear Parent/Guardian,

ENRICHMENT PROGRAMMES/ACTIVITIES AND MASS COLLECTION FOR SEMESTER 1

Happy New Year to you and your family! I hope that your child is well-settled into the new academic year.

To support the school's Strategic Thrust 1 of Providing Holistic Education, the school will be organising a variety of enrichment programmes for your child. There are two attachments to this letter.

The first consists of a brief write-up of the enrichment programmes and activities. It includes information about the value of these programmes and activities, when they are conducted and other details for students to take note of.

The second attachment consists of an Edusave Withdrawal Form (for Singapore citizens) and a Payment Reply Form (for non-Singapore citizens) which must be signed and returned to your child's Form Teacher with the payment.

The school will co-pay for most of the programmes/activities to support the students' learning. However, there will be no refund once students have signed up for the programmes/activities.

The payment for Singapore citizens and non-citizens is different as Singapore citizens may tap on their Edusave Fund Account to pay for the programmes/activities. In addition, the school will subsidise students on the Financial Assistance Schemes (FAS) for most of the programmes/activities.

We will be doing a mass collection for all programmes/activities conducted in Semester 1. To facilitate the mass collection, please enclose the payment (cash, or cheque payable to 'Northland Primary School', unless otherwise stated) in a sealed envelope with your child's name, class, student ID and the amount clearly written.

We hope you could return all the forms and payment via your child's Form Teacher by Friday, 13 January 2017 to allow the school sufficient time to process payment.

The third attachment consists of Topics to Be Taught for The Semester.

Should you need any clarification, please do not hesitate to contact me at asmawati_abdullah@moe.edu.sg.

Thank you for your support in giving your child a more enriching schooling experience.

Mrs Asmawati Ganesan
Year Head (P4 Level)

1. House Practice

In preparation for our annual Sports Day and Inter-House Games, we will be having house practice for all P3 to P6 pupils on 2 February 2017 from 2.15pm to 4.15pm. Students are required to attend the practice in their respective House attire.

2. Little Red Dot Subscription (Compulsory)

The English Department will be adopting the Little Red Dot (LRD) to enhance the teaching and learning of the English Language in the classroom.

Little Red Dot (LRD) is an English Language publication that is designed to educate, enrich and enlighten students. It covers a wide range of subjects based on current events and news from English to National Education, financial literacy to environment concerns, all rooted in the school curriculum. Apart from bringing current affairs to the classroom, the publication aims to develop creative and critical thinking skills and civic-mindedness in students.

6. Code for Fun Enrichment Programme for Primary 4

With the strategic role of ICT in all sectors of the economy, there is a need for Singapore to develop a talent pool for computing jobs of the future. Introduction of simple computing concepts to students can enhance their logical thinking and problem solving skills, put to real world situations.

The three-day (second 10 hours) **Code for Fun programme** has been organized. It will take place from **Wednesday, 31 May to Friday, 2 June 2017** to achieve the following objectives:

1. Provide basic coding experience to students as enrichment;
2. Develop and enhance logical thinking and problem-solving skills through coding;
3. Enthuse and raise awareness among students about computing so as to groom and develop talents needed by the country.

No payment is required as the fees would be borne by the school. Through this programme, students will be able to build and program robots that are plugged into a computer. Students get to learn programming concepts with a block-based program, Scratch. As students get to build the models, this powerful, engaging and effective platform allow them to learn coding in an exciting hands-on manner.

By the end of the programme, students will be able to

1. Use sequence, selection and repetition in programs;
2. Work with variables and various forms of input and output;
3. Use a programming language to solve a variety of computational problems, making appropriate use of data;
4. Use logical reasoning to explain and detect and correct errors in algorithms and programs;
5. Solve problems by breaking them into smaller parts and solving the smaller parts first;
6. Understand the hardware and software components that make up computer systems, and how they communicate with one another and with other systems.

The schedule for the 3-day programme is as follows:

Group / Venue	Day 1: (Wed, 31 May 2017)	Day 2 and Day 3: (Thur, 1 Jun and Fri, 2 Jun 2017)	Assembly Point	Attire
Group 1: 4A – 4D classrooms	8 a.m. to 12 p.m. (4h)	8 a.m. to 11 a.m. (3h)	School Hall	School Attire
Group 2: 4E – 4G classrooms	12.30 p.m. to 4.30 p.m. (4h)	12 p.m. to 3 p.m. (3h)

7. PRIMARY 4 CHARACTER AND CITIZENSHIP (CCE) CAMP 2017

The CCE Department has, over the years, been successful in fostering camaraderie and bonding among students of different races and developing a sense of belonging to the community through our CCE Camp. This year, we are organising a two-day non-residential CCE Camp for our P4 students on 13 & 14 March 2017.

The objectives of the CCE Camp are:

- to instill character and values (CLITE and R3ICH) in our students
- to provide opportunities for students to show their commitment towards promoting social cohesion in our society and promote inter-religious dialogues
- to develop in our students, a sense of identity, pride and self-respect as Singaporeans

The details of the camp are as follows:

Date	Reporting Time	Dismissal Time
Monday, 13 March 2017	7.30am	5.00pm
Tuesday, 14 March 2017	7.30am	5.00pm

8. Magazine Subscription (Optional)

Reading is a critical building block to strengthening the command of a language. It also enlivens the mind and widens the horizon. As such, the English Language Department aims to develop our students to be passionate readers.

We are sure that as a parent, you are just as enthusiastic to see your child read well. We have selected Adventure BOX and Discovery BOX for your consideration.

Adventure BOX, a 'Parents' Choice' Gold Medal winner, is a perfect choice for the newly independent readers. Within its 68 pages, you will find:

- an exciting 44-page chapter story which exposes children to discover different genres of literature (action, suspense, adventure, drama and humour)
- fascinating topics and interactive activities about the natural world
- Word searches and games to stimulate children's reasoning
- Comic strips about mischievous heroes and wacky scenarios to promote creativity

Discovery BOX, a 'Parents' Choice' Silver Award winner, loads each issue with science, history and nature facts to strengthen reading skills and retention. Each 68-page issue is packed with:

- spectacular photographs and gripping information on nature and animals
- historical events retold in a lively, engaging and informative way
- science topics, complete with illustrations in colour and fun experiments
- captivating articles about the world covering different cultures and lifestyles
- DIY activities and collectible cards based on current topics

Visit www.nurturecraft.com for more information on the magazines. Should you have any queries, please contact Ms Lynn Teh of Nurture Craft at 91441054/ 90059 644 or email her at lynnteh@nurturecraft.com.sg.
