Letter to Parents: 3 / 2017 (P5 HMTL students only)

Through: The Principal

Dear Parent/Guardian,

P5 Higher Mother Tongue Language (HMTL)

Higher Mother Tongue Language (HMTL) is offered to students who have demonstrated proficiency and interest in Mother Tongue Language. These students can take up the subject and develop their potential to the fullest. HMTL is also a compulsory examination subject in the Primary School Leaving Examination (PSLE).

However, with effect from 2011, the school has been implementing its new HTML policy. If students **do not** meet the eligibility criteria* at the end of Primary 5, they will not be offered HTML at Primary 6.

***Eligibility Criteria:**

- a) Student's Standard Mother Tongue Language Overall result must be at least **70 marks and above**.
- b) Student's Higher Mother Tongue Language Overall result must be at least **60 marks and above**.

Students have to fulfill **both** criteria to take up HTML at Primary 6.

Thank you.

Miss Goh Wang Eng
