Letter to Parents: 69/ 2017

Through the Principal:

Dear Parent/Guardian,

Mathematics Workshop for P1-P5 Parents

Maximising your child's potential in learning Mathematics

The Mathematics Department would like to invite all P1 to P5 parents to attend this workshop to learn how you could maximise your child's potential in learning mathematics. We are very privileged to have Dr Joseph Yeo Kai Kow, Senior Lecturer in the Mathematics and Mathematics Education Academic Group at the National Institute of Education, Nanyang Technological University, as the speaker of this workshop.

Presently, Dr Yeo is involved in training pre-service and in-service mathematics educators at primary and secondary levels and has also conducted numerous professional development courses for teachers. Before joining the National Institute of Education, he held the post of Vice Principal and Head of Mathematics Department in secondary schools. He has given numerous presentations at conferences held in the region as well as in various parts of the world. His publications appear in regional and international journals.

Changes and emphasis in the new 2013 primary mathematics syllabus will be shared. Activities and strategies that you can use with your child in order to reinforce learning of Mathematics will also be shared. Ideas and approaches to prepare your child to solve word problems involving model method will also be presented.

Details of the workshop are as follows:

Date : 6 July 2017 (Thursday)
Time : 4 p.m. to 6 p.m.
Venue : School Hall
Cost : Free
