Letter to Parents : 89 / 2017 (Selected P2 Students only)

Through: The Principal

Dear Parents

YOUNG SPORTS TALENTS INVITATION

In an effort to identify young talents in sports, the school has devised the above mentioned programme to scout for student's potential in Basketball, Floorball, Football and Netball during their Physical Education lessons. We believe early discovery and development of the students' hidden potential can lead to greater achievements in their years to come.

I am pleased to inform you that your child, _____ of Primary 2 () has been identified to show potential/talent in one or some of these sports CCAs as indicated:

Basketball / Floorball / Football / Netball

We strongly encourage you to allow your child to join the Sports CCAs he/she has been identified to exhibit talent from **13th July to 3rd August** on Thursdays. Thereafter, the primary 2 students would exercise their choices to select their CCAs for next year. It is not compulsory for your child to select the Sports CCAs during the CCA option exercise later.

In the event that your child is identified in more than one Sports CCA, please choose only one according to the preference for him/her.

We sincerely hope that all parents will show their utmost support by allowing your child to join the above sports CCA(s) recommended so that he/she can make informed choices through the learning and interactive experiences. Thank you for your cooperation in working with us to develop your child's talent in sports.

Yours sincerely,

Mr Tan Kay Chye Wilson
