Letter to Parents: 84/2017 (P4 Students)

Through: The Principal

Dear Parent/Guardian,

ENRICHMENT PROGRAMMES/ACTIVITIES AND MASS COLLECTION FOR SEMESTER 2

To support the school's Strategic Thrust 1 of Providing Holistic Education, the school will be organising a variety of enrichment programmes for your child. There are three attachments to this letter.

The first consists of a brief write-up of the enrichment programmes and activities. It includes information about the value of these programmes and activities, when they are conducted and other details for students to take note of.

The second attachment consists of an Edusave Withdrawal Form (for Singapore citizens) and a Payment Reply Form (for non-Singapore citizens) which must be signed and returned to your child's Form Teacher with the payment.

The school will co-pay for most of the programmes/activities to support the students' learning. However, there will be no refund once students have signed up for the programmes/activities.

The payment for Singapore citizens and non-citizens is different as Singapore citizens may tap on their Edusave Fund Account to pay for the programmes/activities. In addition, the school will subsidise students on the Financial Assistance Schemes (FAS) for most of the programmes/activities.

We will be doing a mass collection for all programmes/activities conducted in Semester 2. To facilitate the mass collection, please enclose the payment (cash, or cheque payable to '*Northland Primary School*', unless otherwise stated) in a sealed envelope with your child's name, class, student ID and the amount clearly written.

We hope you could return all the forms and payment via your child's Form Teacher by Friday, 7 July 2017 to allow the school sufficient time to process payment.

The third attachment consists of Topics to Be Taught for Semester 2.

Should you need any clarification, please do not hesitate to contact me at asmawati_abdullah@moe.edu.sg.

Thank you for your support in giving your child a more enriching schooling experience.

Mrs Asmawati Ganesan
Year Head (P4 Level)

1. Primary 4 Learn to Play Archery Programme (optional)

The PE department is organising the Primary 4 Learn to Play Archery Programme. The objective of the programme is to help the students achieve basic archery and safety knowledge. Students will be learning shooting techniques, parts of the equipment and range safety rules during the training session. The programme will be conducted by very experienced and qualified Singapore Sports Council Archery coaches. We hope that through this programme, our students can also learn to stay focussed to achieve their goals which is unique to archery.

Brief Programme Content Outline for Workshop / Clinic

- Theory on techniques and briefing on safety procedures.
- Basic shooting technique; 10 steps
- Shooting form training and familiarization
- Practical: actual bow shooting session
- Arrow retrieving technique and scoring rules
- Review of common mistakes
- Competition rules
- Inter Group : Team Competition
- Prize presentation
- End of Programme Debrief
