Through: The Principal

Dear Parents/Guardians,

Support All Saints Home for a Good Cause

All Saints Home is a Voluntary Welfare Organisation (VWO) and has been our key partner since 2015. It has been providing nursing and rehabilitation care for 700 chronically-ill and elderly of all races and religions. We are helping them in their fund raising efforts for its 4 centres in Singapore. You may refer to the link www.allsaintshome.org.sg for more information about them.

To assist them with their efforts, a donation booth will be set up at the canteen during recesses and after school from 1.45 pm to 2.30 pm from 3 August to 7 August at the school canteen.

We look forward to your kind and generous donation.
