Letter to Parents: 60/ 2018 **updated copy**

Dear Parents,

SINGAPORE STUDENT LEARNING SPACE

As part of its commitment to nurturing future-ready learners, the Ministry of Education had announced that all students in Singapore schools will be supported in their learning by the Singapore Student Learning Space (SLS), an online learning platform that contains curriculum-aligned resources and learning tools.

With the SLS, students will be able to learn better through the use of technology. Students will be able to learn anytime, anywhere, and at their own pace, whether independently or with their peers. Teachers will also be able to use the SLS to complement their classroom teaching, further enriching students' learning experience.

SLS is being rolled out to all schools in phases. The students in our school will be activating their accounts in **May 2018**. Our teachers will guide your child in activating the SLS account and using the learning platform. We encourage your child to remember his/ her log in details:

Username: <first 5 characters of name> and <last 5 characters of BC no.>

E.g. **Tan Wei Wei/ T0612345G -> TANWE2345G** **updated due to error**

Password: <students' choice upon activation, please check with your child what his/ her password is.>

Note: Password will expire every 90 days.

We look forward to your support as we help our students strengthen their learning through the SLS.

Yours sincerely,

Mdm Cindy Heng
