Updates

1. Semestral Assessment (SA1) Schedule

A separate notification on SA1 schedule for Term 2 will be sent out before the end of March to help you support your child in his / her revision.

2. #npsCARE Fiesta Fundraising Drive

In an earlier letter, I explained how our school is taking up a social cause to bring meaning to our anniversary celebration. I like to thank all parents who have responded to our call in our effort to raise fund that will go into supporting families in Nee Soon Central. Through your generous donations in kind and cash, we are able to move forward in the next phase of our plan to give back to the community.

I have attached a copy of the #npsCARE Fiesta flyer in this letter for your information. In the flyer, you will see a QR code which I hope you will use it to indicate your attendance. The success of our fundraising effort through the Fiesta depends very much on your attendance and participation on the evening of 29 March 2018. We hope to bring all families of Northland, residents in Nee Soon Central and Yishun Community together to have a fun-filled evening for all. We look forward to your full support which will add to the memorable experience for your children in a fun and meaningful way.

Last but not least, I like to take this opportunity to thank all parents who joined us during the recent Sports Day at Yishun Stadium. Your support, either as a parent volunteer, a participant in the Parent-Teacher race, or a spectator to cheer for our students, is very much appreciated.

On this note, I wish you and your child a fruitful and enjoyable time in Term Two.

Best regards,

Tony Tan
Principal
