27 June 2018

Letter to Parents: 80/2018 (P4 Students)

Through: The Principal

Dear Parent/Guardian,

I would like to welcome your child/ward back to school for Semester 2. I hope they had a well-rested holiday.

1) ENRICHMENT PROGRAMMES/ACTIVITIES FOR SEMESTER 2

To support the school's Strategic Thrust 1 of Providing Holistic Education, the school will be organising a variety of enrichment programmes for your child.

Attached in this letter is a brief write-up of the enrichment programmes and activities. It includes information about the cost of these programmes and activities, when they are conducted and other details for students to take note of. The school will co-pay for most of the programmes/activities to support the students' learning.

The payment for Singapore citizens and non-citizens is different as Singapore citizens may tap on their Edusave Fund Account to pay for the programmes/activities. In addition, the school will subsidise students on the Financial Assistance Schemes (FAS) for most of the programmes/activities.

The Consent Form and reply slip for participation in these activities are also attached. These must be signed and returned to your child's Form Teacher by Tuesday, 3 July 2018. We look forward to his/her participation and active involvement in these programmes.

2) TOPICS TO BE TAUGHT FOR THE SEMESTER

The final attachment in this letter is the Topics to be Taught for the Semester.

Should you need any clarification, please do not hesitate to contact me at siti_ardah_iskandar@moe.edu.sg.

Thank you for your support in giving your child a more enriching schooling experience.

Mrs Siti Ardah Hazry
Year Head (P4 Level)

1. Primary 4 Learn to Play Archery Programme (optional)

The objectives of the Primary 4 Learn to Play Archery Programme in Northland Primary School are to help the participants achieve basic archery and safety knowledge incorporating life skills in this sports experiential learning endeavour.
